HOME BUZZ ROBIN'S HOOD

ROBIN Williams has gotten himself a place on the Hudson. The Oscar-winning actor, who is making his Broadway debut in "Bengal Tiger at the Baghdad Zoo," is renting a spacious birdcage in the Rushmore condo building on Riverside Boulevard for about \$15,000 a month.

Williams' four-bedroom, 2,489-square-foot unit in the **Costas Kondylis**-designed, 41-story new development had been listed for sale at \$4 million.

The new luxury building, which was developed by Extell and has 289 units, includes a fitness center, a pool, a garden atrium and a screening room.
